- Convention
Morgance's sessions were very well-liked. It was suggested that PSDP pay for her services at future conventions.
Next time, we will plan a group breakfast and make sure there is a board meeting each day.
The "four-day format" with (optional) social days on the outside worked well.
Eating together, with people bringing their own food, was fun. We should encourage people to come.
Some board members want to move the decompression session up to earlier on Sunday.
It was suggested that we pick a different weekend (not the one before or of July 4th).
We will try to list other housing options, and some cheap local food options. We may keep this information separate from the official convention info packet, in google drive.
Make it clear what the fee covers (2 rooms, and possibly trainer in future).
