Agenda

•Leadership feedback

This regular meeting was called by verbal agreement during the prior meeting, or by intermediate written reasonable notification made in good faith and agreed to by a majority of board members through email or phone, and was held through videoconferencing.

•Leadership feedback

PSDP leaders gave regularly requested feedback about what could improve and what is working well. The general tone in our previous discussion was that most everything is going well with what is getting done and the progress that's being made.

This meeting was devoted to exploring how to improve interpersonal communication, so we can be more effective in carrying out our duties as board members.
